"Rosie the Riveter" Turns 101

HAPPY 101st BIRTHDAY VIRGINIA SCHIALDONE

Our very own "Rosie the Riveter" Virginia Schialdone of DeLand turned 101 years old on September 19th.

During WWII, Virginia was one of millions of women who worked in traditionally male-dominated roles as part of the war effort. She worked at United Engineering in Niles, Ohio on 105 MM Howitzer gun assembly. By 1945, more than 18 million women were in the workforce.

As she does each year, Virginia is planning to attend the 26th Big Band Dance on November 10, 2017.

Congratulations Virginia !!

Community Outreach

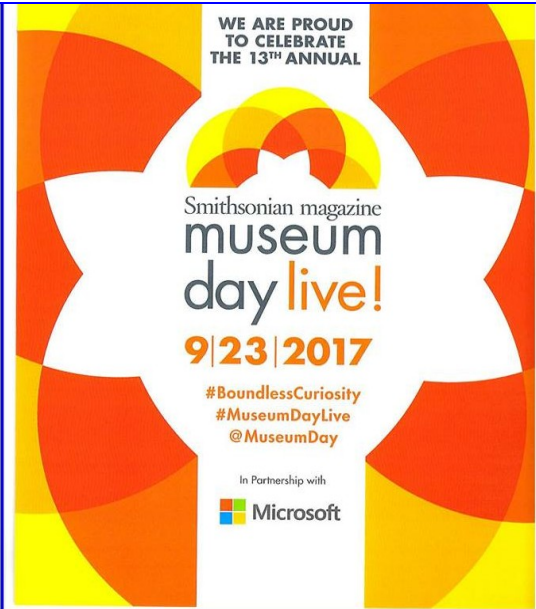

2017 Embry Riddle Activities Fair

DNASM Volunteers participated again in the Embry Riddle Aeronautical University Activities Fair on campus in Daytona Beach. Our thanks to Harold Bradeen and Isaiah Carlton for transporting the DNAS Museum Korean MASH Helicopter to the event. As a result of the "Riddle Redeemer" Student Club and DNAS Museum tent display, more than 60 new students signed up to volunteer at the museum. Below, sixteen new students arrived at the museum on Saturday, September 23, 2017 to receive an orientation and review the available assignments. We are so proud of our student volunteers who continue to provide valuable assistance on our restoration projects and fundraisers, while they learn new skills working with our Veterans and Volunteers.

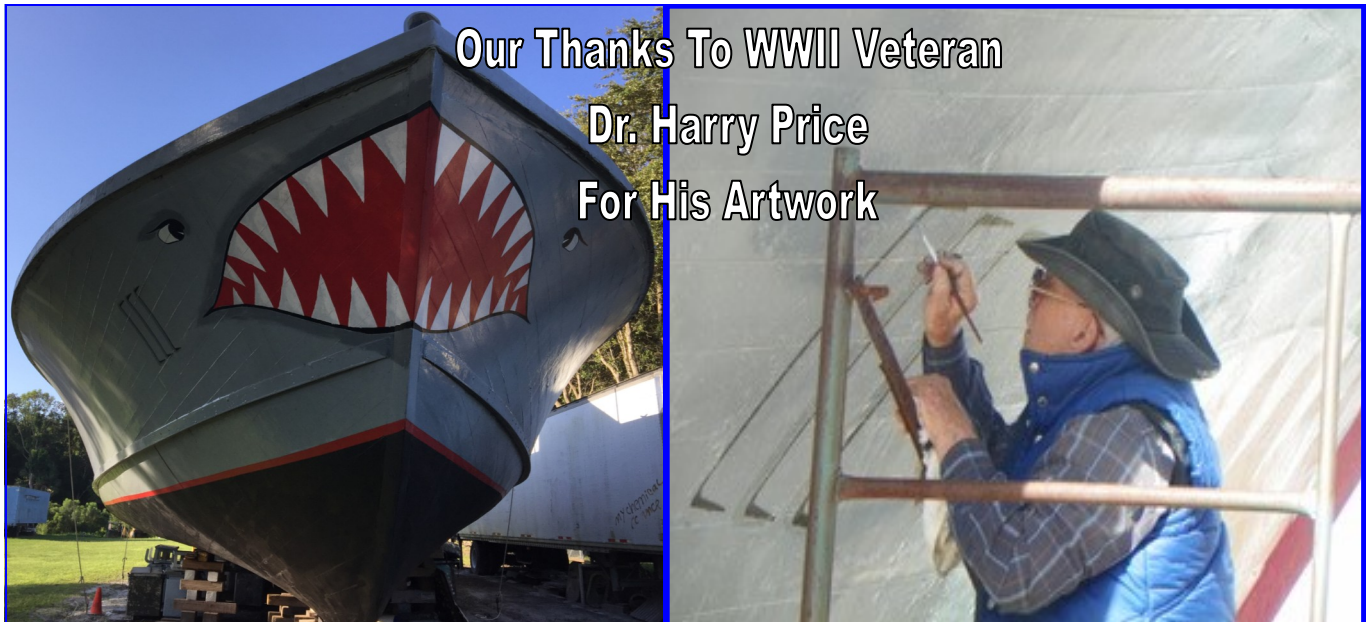

Smithsonian Day Live A Success

On Saturday, September 23, 2017, the DeLand Naval Air Station Museum Volunteers participated in the 13th Annual Smithsonian Day Live event. Museums from around the country signed up to offer free entry for the day. The DNAS Museum does not charge for tours and relies on support from public donations only. Our Volunteers worked hard to clean hurricane debris and unwrap the memorabilia covered before the storm to prepare for our visitors. Visitors from throughout Volusia and other counties and states stopped by the museum. Both adults and youth were given a guided tour of the museum complex.

Hurricane Prep and Aftermath

Many thanks to all of our Volunteers who helped prepare the museum complex prior to the storm and the clean-up afterwards. Our Volunteers boarded up windows, tied down aircraft, secured the PTF3 Patrol Boat, braced the hangar doors, moved objects from the yard and covered the memorabilia collection in preparation for Hurricane Irma. As a result of the storm, the museum received minor damage to the roof which has been repaired. Our thanks to the City of DeLand for their assistance.
