DNASM MISSION

The DeLand Naval Air Station Museum was founded in 1995. The historic WWII building is listed on the Local and National Register of Historic Places. The mission of the DNASM is to preserve DeLand, Volusia County, Florida and other military history for public education offered to youth and adults. By preserving vintage artifacts, documents, photographs, books, videos and memorabilia and presenting them for public exhibits and programs, we ensure that current and future generations honor the service and sacrifices of all Veterans who have served or are serving to protect our freedom.
